A large, dark, textured ceramic vessel, possibly a storage jar or a ritual object, with a bulbous body and a short, flared neck. The surface is covered in a dense, cross-hatched or woven pattern. A prominent, raised, swirling band, resembling a stylized wave or a large 'S', encircles the middle of the body. A large, circular, raised knob or handle is attached to the side of the vessel. The vessel is set against a plain, light-colored background.
